# TECHNICAL HANDBOOK

FREESTYLE SKIING

JANUARY 2017

ALMATY 2017

Dear Participants,

On behalf of the International University Sports Federation, it is both a pleasure and an honour for me to welcome you to the 28<sup>th</sup> Winter Universiade from 29 January to 8 February, 2017 in Almaty, Kazakhstan.

The technical handbooks probably belong to some of the most useful documents during the entire period of the Universiade. That is why so much effort is put into their preparation. Those manuals are always reflecting the amount of work that has been done to prepare such

multi-sport events. The investments in terms of infrastructure and sport facilities are just amazing and we all hope that you will enjoy the remarkable competition conditions that Kazakhstan and the city of Almaty created for all participants.

We therefore would like to thank all parties that worked in very close co-operation with the Organising Committee of the Almaty Winter Universiade and the Student Sports Federation of the Republic of Kazakhstan.

I would like to underline the efforts made throughout the last month by the Technical Delegates of the FISU International Technical Committee for the Winter Universiade. They have worked continuously in close co-operation with the competition managers of the Organising Committee and the International Sports Federations to allow the students to compete in the best possible conditions in a country, which will be showing the magic of winter sports to the world.

We look forward to your participation and we are sure that you will find in this manual all the necessary information that will help you to participate in the competitions in a smooth and proper manner.

Together with the entire FISU Family, I wish you all the best for a most successful 28<sup>th</sup> Winter Universiade.

**Oleg Matytsin,**  
**FISU President**

Dear Friends,

It is a pleasure and honour for Almaty to host the 28<sup>th</sup> Winter Universiade 2017, which has been one of the largest and prestigious multi-sporting event in the world for more than a half a century. We are pleased to extend a warm welcome to the representatives of all the countries or regions participating in the 28<sup>th</sup> Winter Universiade.

It is the first time for Almaty to host the Winter Universiade and we will make everything possible to hold the competitions at the highest level.

The 28<sup>th</sup> Winter Universiade is the large image project for Almaty, and for our multinational country. As you know, our country has a successful experience in organizing international projects, forums, and we ensure making our best to hold this Winter Games.

We would like to highlight the efforts of the International University Sports Federation (FISU) to promote sports values and encourage sports practice in harmony with university spirit. The slogan of the Universiade is "Spread your wings!" It is hoped that it will encourage the youth participating in the competitions to succeed. We are in favour of promoting sports values, along with encouraging friendship, fraternity, fair-play and cooperation between students who will one day have responsibility and even hold key positions in politics, economics, industry and culture.

We are ready to welcome our guests and participants of the 28<sup>th</sup> Winter Universiade. Three new venues were built for this big event, which are the Athletes' Village for 5,000 people, Almaty Arena with 12,000 seats, and Halyk Arena with a 3,000 seating capacity.

As the successor to the Asian Games Universiade inherited the sports facilities with modern equipment, developed infrastructure and updated cultural centers.

In 2011, Almaty hosted the 7<sup>th</sup> Asian Winter Games. For this event, the "Sunkar" International Ski-Jumping Complex and the "Alatau" Cross-Country Skiing and Biathlon Stadium were built. Furthermore, the "Medeu" High-Mountain Ice Rink, the "Shymbulak" Ski Resort, and the "Baluan Sholak" Sports Palace were modernized. All these venues are essential elements of the sports infrastructure of Kazakhstan.

We would like to assure that your stay in Almaty will be comfortable and exciting, your expectations will be met and you will come home enriched, with new experience and friendships.

We sincerely believe that the 28<sup>th</sup> Winter Universiade which became popular around the world will unite a set of the countries on this sport event. The cultural content, the scope and the level of organization of the event will allow you to immerse in the rich history, national traditions, and enjoy the special flavor of our country.

**Imangali Tasmagambetov,**  
**OC President**
